## **HIGH PURITY PIPING: NEW PRODUCT ADDITIONS & UPDATES**

### **T-342 DIAPHRAGM VALVE WITH SANITARY END CONNECTORS**

T-342 diaphragm valve with sanitary end connectors is now available in Purad® PVDF, PolyPure® PPn, and PP-Pure® PP from ½" to 2". The sanitary end connections for the T-342 diaphragm valve are added using beadless welding, which leaves no weld bead or crevice for bacteria buildup. The T-342 diaphragm valve with sanitary end connectors is fabricated, cleaned, and then double bagged in our class 1000 cleanroom to ensure a particle-free product arrives at the jobsite. Visit our website to learn more at [www.asahi-america.com](http://www.asahi-america.com)

### **PP-PURE® T-343 ZERO DEADLEG DIAPHRAGM VALVE**

The PP-Pure® T-343 zero-deadleg diaphragm valve is now available in larger sizes, including:

- 2-1/2" x 1"
- 3" x 1"
- 4" x 1"
